## SALVATION PRAISES

**MARAATS & KILLIONS:** "We came home last night with tears of joy that God is allowing us to harvest souls here in Thailand. Please pray the 2 new believers become true followers of Christ with no turning back to Buddhism. We really need your intentional and earnest prayers so the gospel will take root in Thailand. There is a spiritual battle going on and Satan and his demons will do everything to hinder the gospel. "

**INDINOS:** "Praise the Lord we had 30 children in our VBS and all of them accepted the Lord Jesus as their own personal Savior. Please pray for the new ministry here in Praia de Ieste, South Brazil. "

**KILGOS:** "We're very excited about Jason's newfound faith in Jesus. He's been attending our classes, Sunday meetings and Bible studies since January. Pray for his family--we're hoping they remain in our area so we can further his Bible knowledge for future ministry. He's already translating our counseling material into Chinese."

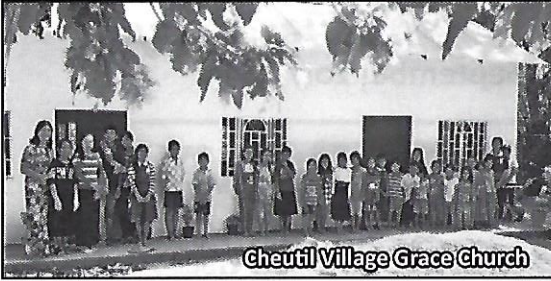

## GOVERNMENT WORK

**MYANMAR:** Salvina rejoices that her Education Visa was renewed. The Banacs were delighted to be issued one-year visas. The Improsos also hope to secure long-term visas. Praise God for answered prayers and keep praying!

**SINGAPORE:** International Director, Ben Anderson, is endeavoring to open a TCM branch office in Singapore that will facilitate a TCM missionary living there and building up the fledgling Grace church. A national pastor agreed to be the official representative and a lawyer is working with Ben on the legal requirements. Pray for favor with the authorities. Ben & Joyce are currently in USA to visit family and attend the September TCM Board meeting

## NEW CHURCHES

**CAMBODIA:** The new church building in Cheutil Village was completed in time for the 12th Sunday service! Bibles were distributed to the faithful core group and students pledged to read their Bible every day. Pray they will grow strong in their faith and their parents will be drawn to the Lord also.

**KENYA:** After 2 days of teaching the Grace message in Migori, Pastor Julius reported, "Now we have started a Grace Fellowship here and we will continue to meet and learn this precious truth." May the seed of the Word of God grow and bring forth much fruit for the Lord.

**UGANDA:** TCM national leaders met with Pastor Festo for a significant discussion about the opportunity of taking the gospel of Grace to Kamuli District in Eastern Uganda. May God work through all the plans we put up and make the gospel spread to that area.

**NORTH BRAZIL:** "Our CLASS 101 - *Discovering the Church* just started. God is building up His family one person at a time. A fund was created among the churches to sponsor new works. The highlight was the new church plant being developed in São Bento do Una by Pastor Manoel. It is the 5th meeting and we already have 40 people attending. Please join us in prayer for these projects!"

## PRAYER UPDATES

**AFRICA SAFARI:** The team of 4 arrived safely in South Africa and are actively sharing their testimonies and participating in Sunday services, Bible school sessions and Bible studies. Pray for a transformational experience in their lives and for those they encounter.

**TCM BOARD** meets for 3 days of vision-casting in September. Pray the Holy Spirit will guide their deliberations.

**SOPHAL MOEK:** "Our strong, beautiful Cambodian sister is a woman of courage! Keep praying for her recovery from surgery following 2 rounds of chemotherapy for rectal cancer. She thanks you so much for your prayers which have touched her heart. "
