Dear Friends,

Thank you for your gift to Grace Ministries International. Your financial contribution facilitates our mission to share God's grace with the world as we work with and empower local believers to evangelize their neighbors, plant churches, train others, and share God's love through acts of mercy. You bless our work as the Lord multiplies it around the world and ultimately causes the growth.

Our three newest fields exemplify this growth and the expanding impact of God's grace. In [Bonaire](#), [Nicaragua](#) and [Paraguay](#), GMI missionaries started churches in the early stages of their ministries which continue to meet in their homes. Nearly thirty might meet weekly where they hear God's Word and are challenged to live in a way that brings honor to the Lord. While this growth is exciting, what is more exciting is that in each of these fields we are now planning to move out of homes and into other locations where these churches can continue to grow. GMI missionaries Carlos and Denise Brunk, serving in Bonaire, have identified a building they intend to rent and are not waiting to make the move. Having already acquired property in the town of Nagarote, Nicaragua GMI missionaries Emiliano and Raquel Seravalli are directing the construction of what will be the first meeting place of the congregation which now gathers in their living room. The GMI missionary team in Paraguay has just started the process of looking for a place for their new church to begin holding services with the hope reaching even more with the gospel.

GMI missionaries Frosty and Cathy Hansen (pictured) began raising support for their ministry in [Bolivia](#) last August. Six months later we are thrilled to share they will arrive in Bolivia on March 6 when they will begin their ministry to help train a next generation of Bolivians to serve as pastors, lay leaders and even missionaries. We are grateful for the way the Lord has provided through you, His people.

As you think about the ways the Lord is moving and how He provides, give thanks for the privilege of being able to serve Him and to take part in His work around the world.

Pressing towards the goal,

Jeremy Clark
Executive Director

P.S. Many of you have already responded to this year's Christmas Project Catalog for which we are very thankful. If you would like to view this catalog online, click [HERE](#).
