Dear Friends,

Thank you for your support of Grace Ministries International. Serving the Lord around the world is a privilege and we are grateful for your gift which allows us to do so. Consider just a few examples of how the Lord is moving.

Over 3,500 people living in Ciudad del Este, Paraguay, heard the saving gospel of Jesus Christ from August 2-13. The Taekwondo team, *BreakThrough*, affiliated with Grace Ministries International, shared this message through thirteen 45-minute, high-energy demonstrations performed in schools, parks, and other public areas. The presentations depicted man's sin and our need for salvation through faith in Christ's death and resurrection telling the story both through martial arts and the Word of God. In the process the team broke over 230 boards and 200 clay roof tiles with their hands, feet, elbows, and heads. Not only did this ministry reach the hearts of many who had never heard the gospel, but it opened several doors and created new contacts for Grace Bible Church which began meeting in its new location just three months ago.

On August 23, GMI missionaries Frosty and Cathy Hansen were able to present a construction company a check for half of the cost to complete the theological training center (Centro Teológico Bethesda—CENTEB) in Santa Cruz, Bolivia. While work begins this week, the project should be finished by mid-December depending on the Lord's provision through churches and individuals here in the States and in Bolivia, too! The goal is to begin offering courses in the new facility in January 2018. In the meantime, and in anticipation of the formal opening of CENTEB, Frosty is teaching classes and meeting with pastors and other church leaders both grounding them in their understanding of God's Word and answering their questions.

Whether it is using martial arts to share the gospel with thousands or the construction of a ministry training center to equip others to reach thousands, it is an honor to be used by the Lord to reach the people He created. God "is longsuffering toward us, not willing that any should perish but that all should come to repentance" (2 Peter 3:9b).

Thank you for making GMI a priority. We know there are a lot of organizations and ministries appealing to you for your support. Because of that, we are humbled to have you on our team as one who is investing in the worldwide efforts of GMI to share God's grace!

Pressing towards the goal,

JK
