## Memory Verse

**“To wit, that God was in Christ, reconciling the world unto himself, not imputing their trespasses unto them; and hath committed unto us the word of reconciliation. Now then we are ambassadors for Christ, as though God did beseech you by us: we pray you in Christ’s stead, be ye reconciled to God”  
(II Cor. 5:19-20).**

## INTERESTING BIBLE FACTS

### *“Translations”*

In Exodus it says that Moses’ face “*shone*” when he came down from Mt. Sinai after talking with God (see Ex. 34:29,30,35). The Hebrew word for shone can also be translated “horned” and some early translations did so. This is why medieval and Renaissance era art often portray Moses with small horns protruding from his head.

### *“Study Bibles”*

While we might think of them as a thoroughly modern innovation, study Bibles have been used for hundreds of years. One example is the Luther Bible. Published in 1534 it included chapter summaries and cross-references.

### *“The Dead Sea Scrolls”*

In 1947 a Bedouin shepherd discovered a clay pot containing an ancient scroll in a cave northwest of the Dead Sea. Soon many other manuscripts were found in a total of 11 caves in the area. Altogether 28 nearly complete scrolls and 100,000 fragments of an additional 875 manuscripts were found. Except for Esther, multiple portions of all of the Old Testament were found. These Hebrew, Aramaic, and Greek manuscripts are the oldest representative texts of the Old Testament available today. Some of them pre-date the earliest known Old Testament texts that were available when they were discovered by 1,000 years and verified their accuracy.
