Scripture Reading

Thus saith the LORD; Cursed be the man that trusteth in man, and maketh flesh his arm, and whose heart departeth from the LORD. For he shall be like the heath in the desert, and shall not see when good cometh, but shall inhabit the parched places in the wilderness, in a salt land and not inhabited. Blessed is the man that trusteth in the LORD, and whose hope the LORD is. For he shall be as a tree planted by the waters, and that spreadeth out her roots by the river, and shall not see when heat cometh, but her leaf shall be green; and shall not be careful in the year of drought, neither shall cease from yielding fruit” (Jer. 17:5-8).

Memory Verse

“Even the righteousness of God which is by faith of Jesus Christ unto all and upon all them that believe: for there is no difference: (Rom. 3:22).

Do You Know What The Bible Says?

False Teachers

“For such are false apostles, deceitful workers, transforming themselves into apostles of Christ. And no wonder! For Satan himself transforms himself into an angel of Light. Therefore it is no great thing if his ministers also transform themselves into ministers of righteousness, whose end will be according to their works” (II Cor. 11:13-15). From this passage of Scripture, it is clearly evident that there are those who claim to be ministers of Jesus Christ who in reality are ministers of Satan and opposed to the truth of God’s Word and the gospel of grace.

How can we discern the difference between truth and the error that is so rampant? It is only through personal Bible study that we can sort out truth and error. Do not merely accept whatever you are told as truth, but check it out for yourself. Of course this means more than just looking at a verse here or there. Real Bible study entails reading a passage in its full context, just as you would any other source of information. Look to see what the complete sentence says, the paragraph, the chapter, the entire book.

The Bible is God’s Word and its message is the most important ever given to mankind. Don’t you think you should understand it for yourself?
